Social and networking events are a core part of the GRS Meetings. The Social Program of the upcoming GRS 2022 will provide a unique experience for participants to enjoy the culture, history, hospitality and gastronomy in Halifax.

Halifax has one of the world’s great natural harbors and a rich maritime history, which derives from its strategic location. In the 19th and early 20th century, Halifax was the entry point for European immigration to Canada. Today, Halifax is a busy Atlantic seaport and the economic and cultural hub of Eastern Canada.

This seaside town is dotted with red-brick heritage buildings, public parks and a landmark citadel, blessed with some first-rate museums, and home to a truly epic 4 km seafront boardwalk.

Above all, Halifax is a livable city: its small size, fresh air and easy-going lifestyle mean it scores high in quality-of-life tables. The nightlife and dining scene has come on in leaps and bounds in recent years: there are many craft breweries and local bistros, especially around the trendy North End.

Join us for a trip full of history, culture, tasty food and traditions!
